

March 24, 2020

To whom it may concern,

Lafser & Associates (L&A) is conducting Phase I Environmental Assessments on a property located in the city of O'fallon, Missouri. Under the Missouri Sunshine Law, we request any records your agency may have for the properties below, limited to the following environmental concerns: asbestos/lead paint removal, abandoned drums, hazardous materials, chemical spills and leaks, water/wastewater contamination, underground/aboveground storage tanks, dry cleaning operations, gas or auto repair stations, hydraulic lifts, and/or other industrial activities. If it is likely fees exceeding \$30.00 per site will be incurred, please notify L&A before proceeding.

Project Site:

2342 Technology Drive O'fallon, Missouri 63368

Thank you for your assistance. If you have any questions or require any additional information, please contact me by phone at (636)-699-5668 or by email at tmccarthy@salientrealtygroup.com.

Sincerely,

Timothy McCarthy
Environmental Associate
Lafser & Associates, Inc.
